

Need a good haircut before going out go to gate city they get you right. You can be looking rough on min and boom you look like you worth an million dollar. Gate city the best shop in town don't missed out looking like a million dollars.

A good place to get your car service is hardens got good costumer service and checked your fluids and all

Want somewhere nice in comfortable to stay Stayed at the y.m.c.a on 22 butler street the best hotel in town. Also its not far from down town and that where all the fun is at .

A good restaurant to eat at is the dew drop where the food is good and late at night its turn into a nightclub a two in one.

Taking a trip to Atlanta

Where fun is bond to happen

The reason I choice Atlanta because even though it was rough in the south but taking a 3 hrs trip to another state if coming from Columbia wouldn't put you on the radar as bad as being black. Gas was only 0.21cent to a gallon. With traveling it all depend did you get the right car to travel in. there was only one route to take when going to Atlanta and not be on the cops or the whites radar.
